NOTARIZED RESIDENCY STATEMENT FOR NEW HAMPSHIRE RESIDENTS
NEW STUDENTS ONLY

Dependent students whose parents are divorced or legally separated, and only one of the parents is domiciled in N.H., are advised to have that parent inform us of his/her status as a N.H. domiciliary. In addition, we need documentation from that parent confirming either his/her legal custody of the student or that he/she provides more than one-half of the student’s total financial support.

N.H. residents who are military personnel on assignment outside the state and who are planning on attending Keene State College or have dependents doing so should submit a statement establishing that they entered the armed forces from the state of N.H. This statement should be certified by a commanding officer.

A copy of “Rules Governing Tuition Rates for the University System of N.H.” may be obtained by writing the Admissions Office. Misrepresentation of facts in order to establish a claim to N.H. domicile will be viewed by the Admissions Office as justification for revoking an acceptance.

All returning students seeking in-state residency must email the business office at jhalter@keene.edu for the proper forms.

New students with questions regarding residency should contact the Admissions Office at 358-2276 or by email at admissions@keene.edu.

You must complete and have notarized the attached form including the lawful resident of the United States affidavit.

- Section A is for students who are financially dependent on or are living with their parents.
- Section B is for students who are not living with their parents and are financially independent.
